# **CORAVIN SELECTION**

## ***Fine wines By the glass***

***In this section our sommelier team offer a selection of iconic wines from top vintages around the best wineregion***

### **WHITE WINES 125ML**

**2010 Chassagne-Montrachet 1<sup>er</sup> Cru "Cailleret", Jean-Noël Gagnard, Burgundy, France 38.00**

Since 1989 Caroline l'Estimé has been in charge of Domaine Jean-Noël Gagnard in their small cellar. Caroline has fine-tuned, the holdings, increasing the number of white wine cuvees. Caroline barrel ferments all her whites before ageing them for up to 18 months in oak casks. These wines truly reflect their terroirs and combine intensity and richness with elegance and balance.

**2016 Condrieu La Bonette, René Rostaing, Northern Rhone Valley, France 28.00**

From the famous lieu-dit high above the village, a deliciously complex Condrieu, Rostaing captures the biotite granitic soil profile and tames his Viognier with great skill, avoiding oak. A partially suppressed malolactic fermentation underlines the freshness.

**2005 Pinot Bianco "Rarità", Cantina Terlano, Alto Adige, Italy 50.00**

Rarity wines began when former winemaker Sebastian Stocker decided to follow the French model and let the wines rest longer on the lees. The wine spend a year maturing in wooden barrels, then is transferred to small steel tanks (2500 liters) where they are left to age for between ten and thirty years – enough time for them to develop their complex structure and wealth of aromas. When the winemaker feels the wine has attained a fine balance and harmony, it is bottled.

**2013 Trebbiano d'Abruzzo, Valentini, Abruzzo, Italy 43.00**

A white grape of French origin, is the most famous of the international grown-everywhere varieties because it gives its best wherever, retaining features that make it recognizable. Right from the first vintages this wine was praised by international critics who continue to consider it a reference for the finest Italian enology. Its taste is full and rotund and its organoleptic structure is so intense as to be comparable to a red, yet it lingers in your senses for its extraordinary finesse.

### **RED WINES 125ML**

**2005 Château Rauzan Ségla, Margaux, 2<sup>ème</sup> Grand Cru Classé, Bordeaux, France 48.00**

Considered one of the leading 2<sup>ème</sup> Cru Classé Bordeaux properties during the 19th century., Rauzan-Ségla's reputation dwindled and a succession of disappointing wines were produced in the early 80s. When the property was sold The eminent Professor Peynaud was appointed as a consultant and the proportion of Cabernet Sauvignon in the blend was increased, as was the proportion of new oak used in the maturation process. Bought by Chanel in 1994, there are now 45 hectares of vineyards and the grapes (63% Cabernet Sauvignon, 35% Merlot, 2% Cabernet Franc) are fermented in temperature-controlled, stainless steel tanks. The wine is then matured in barriques (60% new) for 18 months.

**2010 Brunello di Montalcino Riserva, Canalicchio di Sopra, Piedmont, Italy 50.00**

Canalicchio di Sopra is the tale of a winery that covers the history of winemaking in Montalcino over the last 50 years, its growth and its worldwide success: the first bottle of Canalicchio di Sopra Brunello di Montalcino was produced in 1966. In 1967, Canalicchio di Sopra was one of the twelve founders of the Consorzio del Vino Brunello di Montalcino. Produced only for great vintages and in limited quantities from the oldest vineyards on the estate, it represents the flagship of quality on the estate: an expression of the concepts which they hold most dear at Canalicchio di Sopra - Elegance, Terroir, Depth. At least 80% of the grapes come from a single vineyard: Vigna Vecchia Mercatale.

**2008 Châteauneuf-du-Pape, Château de Beaucastel, Southern Rhone, France 40.00**

Château de Beaucastel has 200 hectares of vineyards which makes it one of the largest wine estates in the region. Beaucastel was one of the very first domaines to practise organic viticulture - namely no use of herbicides, insecticides or any other chemicals. Unusually, all 13 permitted grape varieties are grown although it is Mourvèdre which is Beaucastel's signature grape, often making up a third of the final blend. Renowned for its controversial vinification "à chaud" which involves rapidly heating the incoming grapes, which extracts colour and aroma and kills harmful bacteria. The wines are matured in 500-litre oak casks and, after blending, are bottled with a light fining and without being filtered.

**2000 Pommard 1<sup>er</sup> Cru, 'Les Rugiens', Domaine de Courcel, Burgundy, France 42.00**

The Domaine de Courcel is a 400 year old family owned winery. The Rugiens (1.07 ha) are located mid hill on the southern slopes, in between Pommard and Volnay. The ground, where both marlstone and clay can be found, is composed of a wide variety of soil. The vines are all around 60 years of age. The wines produced are spicy; sweet spices such as cloves. The wines, which are fine and very aerial, are both elegant and concentrated. The tannins, the aromas of blackberry and very ripe raspberry enhance a long finish.

### **SWEET WINES 50ML**

**1998 Château d'Yquem, Sauternes, France 45.00**

Often described as the greatest sweet wine in the world. After centuries of family ownership, Yquem was finally sold in acrimonious circumstances to Louis Vuitton-Moët-Hennessy in 1999. However, its former owner and director Alexandre de Lur-Saluçere mains in charge. Located on the highest hill in Sauternes and enjoys the best growing conditions in the whole appellation. The 110-hectare vineyard is planted with 80% Sémillon and 20% Sauvignon Blanc. Only fully botrytized fruit is picked by the 150 highly skilled pickers and yields are so low that each vine produces only one glass of wine.
